

Psychic Song TAROT WORKSHOP SERIES

with Andrea Mattson

THURSDAY, MARCH 12TH

Using the Tarot to open intuition

Tarot is a wonderful tool of reflection for bringing in messages and unlocking the intuition. This workshop will take a look at the meaning of ancient symbols found in the Tarot. We will be working with the energy and feelings of the cards to delve into the subconscious and super conscious. Find out what your psychic strengths are and learn practical applications of how to develop them. Bring your favourite deck of Tarot cards and an open mind.

THURSDAY, MARCH 19TH

*22 Journeys: exploring the
Major Arcana (Part 1)*

This workshop will explore the meanings and archetypes found in the Major Arcana or the Trump cards. Topics of discussion include the history of the Tarot, numerology, astrology and Tarot spreads. We will further explore the intuitive process by doing practice readings.

THURSDAY, MARCH 26TH

*22 Journeys: Exploring the
Major Arcana (Part 2)*

The true power of the cards is in the personal relationship that you build with your deck. Using the meditative process we will take a journey into the stories of the Trump cards. This workshop is about going inward to find your own meanings to the cards. There will be discussion, reflections and sharing to follow.
